

Electrical Parts for Forklifts

Electrical Part for Forklifts - Lift trucks may be specifically labeled to be used in hazardous locations. A labeled lift truck denotes the design has met the lowest standards of ANSI/UL 558 utilized for engine powered trucks or ANSI/UL 583 utilized for electric forklifts for the type of label put.

Applications for labeled trucks could be found in National Fire Protection Association NFPA 505 - Powered Industrial lift trucks including: Areas or Use, Maintenance and Operation, and Type Designations. Consult your local insurance provider and Fire Marshall for further information on the permitted uses of industrial powered lift trucks in your application.

If the lift truck has been proven to meet the outlined standards, the following labels could be placed. A marked truck will have the type description placed on the lift truck nameplate and would have one of the following labels placed.
